

# 10 Minute Guide to Microsoft PowerPoint 2002

Because most people don't have the luxury of sitting down uninterrupted for hours at a time to learn PowerPoint, this 10-Minute Guide focuses on the most often used features, covering them in lessons designed to take 10 minutes or less to complete. In addition, this guide teaches you how to use PowerPoint without relying on technical jargon. Instead, it provides straightforward, easy-to-follow explanations and lists of numbered steps that tell you which keys to press and which options to select.
