Publishers Note: This book has been previously released with another publisher.

**Touch Me** In a world where Normals and Extraordinaries are constantly at odds, Eric DAmore is plagued with the ability to sense soul mates. A talent he puts to work on the case files of the Office of Kink and Karma Josh Martin doesnt care what the Council wants, hes not about to let them turn him into some boy toy. Until hes called to the Office of Kink and Karma, where he sees Emilys picture. Now he cant wait to get his thoughts -- and his hands -- on her. \* \* \*

**Tri Me** Whats a Normal gal to do when she meets an Extraordinary who can arouse her with the touch of his mind? Enjoy his every thought, of course. Theo and Jackson are partners in love and life, but both of them feel somethings missing. It takes an order from the Office of Kink and Karma for them to admit their desire for a woman in their lives. And not just any woman -- Lara Kinley. Together they set out to seduce and capture Lara for their own. \* \* \*

**Serve Me** Margaret Thompson is a prim and proper librarian by day and Dominatrix by night. Though she brings pain and pleasure to others, she cant seem to find the one for herself. When she orders a man from Triple E, Extreme Extraordinary Escorts, the last thing she expects is a hunk like Nathan Wells. Nathan hates working as an escort. And what does he know about BDSM? Nothing. But once he meets Margaret, hes more than willing to learn \* \* \*

**Love Me** After playing matchmaker and setting up three couples, Eric DAmore is ready to retire. To add to his stress, his used-to-be love and plaything, Melani, has shown up pregnant. To top it off, the office assistant he hired turns out to be a woman. Can things possibly get any worse? Of course. Its the Office of Kink and Karma. Case closed.
