

Tangled Dreams: Tabby's Tangled Art (Volume 1)

Tangled Dreams is a coloring book for all ages. Inside, you'll find illustrations that are fun, whimsical, and floral. Some drawings have a lot of detailed patterns, while others are less complex. These Zentangle-inspired pieces can be colored with pens, colored pencils, markers, crayons, or any other medium your heart desires. Each of the 27 images is printed single-sided, so no need to worry about markers or gel pens bleeding through the paper. Coloring is a wonderful way to relieve the stress of the day. So, sit back, relax, grab your favorite coloring mediums and have some fun. You may even find yourself in the same relaxing state of mind that I did while creating these pieces. I hope you enjoy coloring these designs as much as I enjoyed creating them. HAVE FUN!!
