

Sassy Mates Volume 1 (BBW Paranormal Shape Shifter Romance)

Scent of a Mate?? When a good intention creates a problem for the Wolfe family, Jordan Alvarez finds herself being stalked by a woman intent on claiming Aric as her own. Battle lines will be drawn, love will be put to the test, and Aric will have to fight Jordans strong personality to keep her alive. Two alpha hearts seeking control will either find the balance or risk losing their love forever. A Mates Bite She. Is. His. Nathan Wolfe marked Karla. His mate. Deeply involved in pack politics, Nate has had to stay away. When his sister warns that Karla needs him more than he thinks, hell discover a bundle of secrets only his wolf can sniff out. But getting the woman he cares about to let down her guard may prove to be his undoing.

Unexpectedly Mated After years of lusting over Jake Wolfe, Nicole Acosta finally got a taste of the dirty-talking bad boy. During the scenting ceremony, he showed her how explosive things can be between them. But Nicole doesnt do love. She doesnt even know what love is. So how can she know if a relationship with Jake would be the right path to take? Jake wants Nic more than his next breath. Shes curvy, mouthy and so hot his blood boils just thinking of her. But Nics been keeping him at a distance. And Jake is tired of her games. One fateful trip to Sin City and all bets are off. Warning: If you dont like sex of any kind, this is probably not the book for you. Theres graphic language (yes, they tell their women how they like it), sassy humor (come on, its Milly Taidens books) and women that wont allow a man to browbeat them into doing what they say (unless theyre naked). This omnibus is intended for adults that have no problems with dirty sex, humor and action. If thats you, enjoy!
