

2016 Yearbook Dogs Wall Calendar

This masterfully computer-produced calendar is a hilarious canine parody of high school yearbook portraits. They're all here: mullets and nerds, prom queens and jocks, egotists and airheads. Twelve artfully absurd dog portraits that will make you say, Hey, I knew that kid in school! The large format, 18-month wall calendar features large grids with ample room for jotting notes and reminders. Also included are six bonus months of July through December 2015 as well as moon phases, U.S. and international holidays.
