

DIY Box Set: DIY Household Hacks, Natural Cleaners and Food Preservation

DIY Box Set 3 Bestselling DIY Books
Book 1 DIY Household Cleaning Hacks: How To Be Productive, Efficient And Fast For People Who Hate Cleaning
Look if I could afford for someone to clean up after my family and organize my house they would be doing it. Chances are you are in the same situation or why look for a book on how to get organized? Maybe you actually do clean for others and have some disastrous clients you need household hacks for. Whether you do it for yourself or for someone else, there are hacks available that will make life a lot less stressful. Discover These Hacks Inside
Get stains and spills of all kinds out of fabrics - without using fancy, expensive or harmful chemical products
Discover the 7 popular household hacks that dont work - and why they can even be dangerous
Learn exactly which common household ingredients you can use to soothe sunburn, remove a splinter or get rid of scuffs in wooden furniture.
Find out what 5 essential tools every DIY home hacker needs at their disposal - even if youve never fixed anything around the house before
Learn how to recycle things youd ordinarily throw away into useful, budget-friendly items for every room in your home
Book 2
DIY Natural Household Cleaners: Mother Nature's In The House Going Green And Making It Clean
By making your own safe and natural household cleaners, you get the peace of mind that you are cleansing and renewing your home without exposing your family to harmful toxins. By taking control of what you use to clean your home, you save money, time and the environment.
By using commonly available ingredients and blending your own simple cleansing solutions, you can clean your kitchen, bathroom, laundry and living room easily. This straight-forward book will show you how to:
Discover the cheapest and most effective natural household cleaners - and how you can start cleaning

your home with recipes of only one or two ingredients De-grease, deodorize and kill bacteria without resorting to harsh and unhealthy ingredients Learn nifty tricks to get rid of stains, brighten tile grout and clean greasy ovens without using corrosive products that produce deadly fumes Customize recipes for your own laundry soap, dishwashing liquid and even stain remover - and learn how to make them quickly and easily in your own kitchen

Book 3 DIY: Food Preservation For Beginners - An Introduction To Canning, Freezing And Drying Foods The art of canning has been around for generations and seems to be making a comeback. As people become more aware of the chemicals used in processing their food, they are choosing to take matters into their own hands. This guide touches on: How canning works, how to can food, and the mistakes that people make (You can avoid those!) How to dehydrate food, how dehydrating works and different ways of dehydrating food How freezing food works and how to freeze meats, fruits, and vegetables Answers to some of the most frequently asked questions A complete list of everything that you will need for canning food Preserving your own food does not have to be difficult but it does take a bit of learning. The rewards are worth it though being you will eat healthier, save money and be in control of what you put into your body. That and the food tastes great while lasting a long time.
