

The Magic of Airbrush Art (Hobbies) (Volume 1)

What is Airbrush Art? Airbrush art is a painting method that uses mist-like sprays to apply paint. Airbrush has been in one style or another since cave men times. Sooner or later the Airbrush could be a refined to a pen-like device capable of features as fine as a wisp of hair or as wide as a basketball in the wink of an eye. It allows the U.S to understand these complex works of art through the artists personal expression of this tool. It is also known as Street Art. Want to learn more, then look inside this book.
