

101 Fall Family Activities: Recipes, Crafts & More

This book is created to provide you and your family over 100 fun activities that you can do together this fall. The activities outlined in this book are well thought out to make sure that they suit all members of the family, from adults to young children. Because its fall, we have included a wide range of activities, from outdoor to indoor activities. Also included in this book are fun and easy-to-follow recipes that you can prepare together plus arts and crafts activities that all your family will enjoy.
