

A Work in Progress: Exploring Biblical Perspectives on Marriage, Divorce and Singleness

A Work in Progress offers women practical, biblical advice on marriage, divorce and singleness. From handling sexual temptation and heartbreak, to fulfilling your God-given role as a wife, Ashley Smith helps you identify the places of disconnect in your love-driven relationships in order to restore your foundation and position you as the woman you were destined to be. This book teaches you how to recognize unhealthy unions while also establishing a relationship with God that is deeper than you ever thought possible. The scriptural truths, personal insights, and refreshing take on being single and married makes this book both relevant and timeless. Neither settling nor stagnation is your calling. As evidenced in Ashley's testimony, the world's way will lead you directly into misery's lap. God's way, however, brings love in its fullest, purest and most satisfying form. That's what you deserve!
