

60 Days (Sexy BW/WM Erotic Romance)

Hard hitting lawyer couple Maya and Pacey Notariani at the height of their careers. After years of the corporate climb and facing loss in their own life, the pair find themselves burnt out on the job and each other. Now, when work seems to be falling apart, they will consider whether life together is worth the fight. This romance shows our couples broken to the core and fighting to uphold the vows that were once so dear.
