

The Knitted Rug: 21 Fantastic Designs

Here's a fresh take on the crafts of rugmaking and knitting—the very first book of its kind. These 21 stylish rug projects are so eye-catching that it's hard to believe that even novice knitters can create them. But they can, thanks to a thorough section on knitting basics, sumptuously illustrated with more than 60 how-to photographs; advice on embellishments, including embroidery, fringes, and tassels; and instruction on finishing touches, such as weaving ends, sewing seams, blocking, backing, and lining. Put this knowledge to work on a multicolored Big Needle Garter Stitch Rug, Knit and Purl Oval Rug, Thunderbird Wall Tapestry, and others. Every rug is beautifully photographed in a home setting, and includes patterns and ideas for modifying the design. The author lives in Longmont, CO.
