

Lady Death Vol 2: Dark Passage

The swords-and-sorcery epic of Lady Death, a warrior queen in a hellish dimension, perfect for fans of gothic fantasy and strong female lead characters. When her mother was whisked away to a hellish dimension, a courageous young woman named Hope sacrificed her humanity to become the otherworldly sorceress known as Lady Death. Through years of warfare, she conquered a realm but failed to save her mother's soul. Now, her mother has returned, revealed as the usurper Death Queen, and Lady Death has lost both her kingdom and her direction. Worse still, the heroine's quest to retake her throne sees her trusted allies, Wargoth and Satasha, at each other's throats, aligned on opposite sides of the conflict. Lady Death's war has just gotten intensely personal and bloody!
