

A Chance for Helena (Cousins of the Moon Book 2)

Rocs sister Helena has found a vampire that she feels can teach her everything she needs to know about passion. The bad thing is he is Simons number two. Simon, Rocs mate, discourages the couple every way he can. Chance wants Helena. He doesnt want to keep her, but he wants to feel the passion only she ignites in him. No one wants them together and some are willing to do whatever it takes to keep them apart. Is it possible they are fated to mate or are they just fighting fate for a brief affair?
