This is going to be a series and this is Book #1 - youll want to get in on this from the start because this is the next big thing! - A Book Whores Obsession Blog Jack Stone is a character you will love, you will be rooting for him to find what he is looking for, and you will be shocked at the discoveries he makes along the way. Even from this first story I can tell that it is set to be one of my favourite series from this author as it combines both erotica and mystery/crime. - Fionas Book Reviews

If you think erotica cant appeal to both genders, then you dont know jack. Jack Stone, that is. Author Vivien Sparx has done the seemingly impossible by penning a new series that features all the alpha-male, BDSM sex female erotica readers go weak in the knees for, but also features enough hard-fisted hand-to-hand combat and bullet-blazing gunplay to satisfy male action junkies. - Mark Allen

JACK STONE is a delicious and refreshing change of pace from your typical BDSM master, he is a man who demands not only answers but control served up with his own kind of justice. Vivien Sparx wrote the perfect start to a new series; it has intrigue, suspense, action and hot sex that leaves the reader satisfied yet wanting more JACK STONE. - Blushing Reader Blog

Jack Stone reminds me a little of Jack Reacher, the hero of so many Lee Child Bestsellers. Jack Stone and Jack Reacher are very

different characters with a lot of the same qualities. - Tyler Redge Jack Stone is certainly a hard hitting bad ass on a mission. I cant wait to see where his journey leads him next and what situations he gets himself into that lead to more of the action packed fight scenes that guys will want to read. I can see this series being read by both men and women for the action and the sex. - Tom LeGrand Wild Justice is AMAZING!!! I absolutely could not put it down! Jack Stone is The Rock from Walking Tall, Bruce Willis from every Die Hard Movie and Jason Stratham in every Transporter movie all rolled together...ABSOLUTELY FANTASTIC!!! Wild Justice is a titillating, suspenseful, edge of your set thrill ride with plenty of erotica to throw you over the edge! It is a ride I want to take over and over again! I absolutely could not put it down! Wild Justice is the perfect combination of everything that makes a book GREAT! - We Love Kink Blog Vivien Sparx has created a Jack Reacher kind of character and yet made Jack Stone very different to Lee Childs Jack Reacher character. Sparx and Lee Child both write great action but Jack Stone gets a lot more sex than Lee Childs Jack Reacher does! - Tiffany Harris
