

A Descriptive Catalogue of Rare and Unedited Roman Coins, Vol. 1 of 2: From the Earliest Period of the Roman Coinage, to the Extinction of the Empire ... Plates From the Original (Classic Reprint)

Excerpt from A Descriptive Catalogue of Rare and Unedited Roman Coins, Vol. 1 of 2: From the Earliest Period of the Roman Coinage, to the Extinction of the Empire Under Constantinus Paleologos; With Numerous Plates From the Original These volumes have been compiled, in the hope that they may prove of service to the Antiquary and the Collector of Roman coins: to the former, as a book of reference to the latter, as an accurate guide to the formation of his cabinet. It is remarkable, that no catalogue in the present form has ever appeared in this country, notwithstanding the numerous discoveries which have been In. 3 various parts of the three kingdoms during the last two centuries. Scarcely a year passes, in which the ploughshare or the spade does not bring to light numerous relics of that gigantic empire of which this island once formed a part; and among these relics, the coins are the most conspicuous.
