

## A Good Rake Is Hard to Find (Lords of Anarchy)

Heartbroken by the loss of her brother, Miss Leonora Craven vows to uncover the truth about his accident, which seems to have been anything but. Jonathan Craven was involved with the Lords of Anarchy, a notorious driving club, and Leonora cant help but suspect foul play. But the only way she can infiltrate their reckless inner circle is to enlist the help of Jonnys closest ally, Lord Frederick Lisle. If only he didnt also happen to be the man who broke Leonoras heart ... Frederick isnt surprised to find gorgeous, headstrong Leonora playing detective, but he knows that the Lords of Anarchy mean business-and he has no choice but to protect her. A sham engagement to Leonora will allow Frederick to bring her into the club and along for the ride. But it isnt long before pretending to be lovers leads to very real passion. With everything to lose, is their tempestuous affair worth the risk?
