

A Touch of Dead: . (Sookie Stackhouse)

Sookie Stackhouse enjoys her job as a cocktail waitress in Merlottes, a small-town bar in small-town Bon Temps, deep in Louisiana. Shes funny and pretty and, thanks to her grandmother, shes very well-mannered - but since not many people truly appreciate her ability to read their minds, the guys havent exactly been beating down her door ...And then along came Bill, tall, dark and handsome - and Sookie couldnt hear a word he was thinking. He was exactly the type of guy shed been waiting all her life for. Of course, Bill had a disability of his own: fussy about his food, not into suntans, bit of a night person: yep, Bill was a vampire. But at least now Sookie nows there *are* guys she can date who wont worry about her catching them thinking about other women ...And thats going to make Sookies life really interesting!
