

## Ginger and Spice: A Romance Novel ((BBW Contemporary New Adult Rich Love and Romance)

Catelyn mightve hated her job, but at least it offered her some stability. Thats what she thought the day before she came to work and the building was locked up and her best friend was crying on the curb. She took one, sweltering night out and he walked into her life. He was a demon of carnal pleasure and burning desire, and he threw her away like a piece of trash. It left her scorned and breathless. She was forced to deal with the ensuing drama and the possibility that Catelyn and her friend wouldnt make it. In her desperation, she turned to her mother to find a place to stay, but when he answered the door she lost all hope of maintaining her sanity. Who was he and why was he there?
