

Midnight Mandalas Vol. 2: A Stress Management Coloring Book For Adults

Come Over To The Dark Side... With our all new Midnight Mandalas Vol. 2 black background coloring book. Once again we took 50 of our our popular Mandalas and did a bit of black magic on them to turn them into fantastic white Mandalas with all black backgrounds. Think of the possibilities of coloring these with bright neon pencils or markers and remember, as with all of our books, each image is printed on its own page.
