

Hush (Lodestone Trilogy Book 1)

National bestselling author Cherry Adair introduces an edgy, sexy new suspense series with this exhilarating international tale of hide and seek. A reckless adventure in a deadly paradise. Thrill seekers Zakary and Gideon Stark travel the globe in search of extreme adventure, but a trip to Venezuela to jump off the worlds highest falls catapults them into a perilous game of life or death where they don't know the rules. A one-night stand that will change his life forever. Kidnapped with a woman Zak knows nothing about, the brothers are held prisoner deep in the jungle. A risky, death-defying escape separates them and nearly claims Zaks life ... until his recovery reveals a baffling new sixth sense. An unexpected diversion with lethal consequences. Now, to find his missing brother, Zak and the mysterious Acadia Gray will have to out-smart, out-gun, and out-manuever not just the brutal kidnapers but also a new player who joins the adrenaline game: a ruthless opponent who wants the Stark brothers dead at any cost.
