

Knights of The Boardroom (Volume 1)

Cressida Walker works for two of the hottest men in New York City, but it isn't a career move that sends her to the kink club they own. Looking for a Master to train her, will her quest to find out if she has what it takes to belong to a Master like Lawton Hill or Brody Walsh bring her more trouble than she can handle? Will the first two of the infamous Knights of the Boardroom to fall be able to keep her safe long enough to make her their own? This book is dedicated to those courageous souls who are brave enough to take that first leap of faith you'll never know unless you try!
