

Alexis by Night - 3 (The Alexis Trilogy)

Alexis by Night (The Complete Trilogy) is now available in one complete volume and includes an exclusive bonus story Trent Hudson, the flawed billionaire and CEO, doesn't like to hear the word no and has a tendency to become more than a little unpredictable when challenged. And what a challenge Alexis is fast becoming. The last thing she needs is a love triangle. But that's exactly what she gets when the mischievous, lean and ripped Mark enters her life, with his soft curls and to-die-for emerald green eyes. Perhaps an evening helping a married couple live out their fantasy of a steaming hot, no limits ménage à trois will be a welcome distraction? Start reading this exciting new trilogy now and find out why readers and reviewers alike are talking about Bianca James. Ms. James did a great job overall with this trilogy. She writes intelligently and with attention to detail. The style of the trilogy was unique and kept the suspense flowing. I recommend picking this up if you're looking for something spicy and different. MsRomanticReadsRecommended for 18+ due to mature themes and explicit sexual content
