

All England Law Reports Set 1936-2015

The All England Law Reports is a general series of law reports enjoying an unrivalled reputation in all common law jurisdictions. Published in weekly parts, it provides, in full text, cases heard by the Supreme Court, the Privy Council, both divisions of the Court of Appeal and all divisions of the High Court in a consistent and reader-friendly style. Cases are clearly presented with catchwords and headnotes summarising the judgments clearly and accurately. Cross-references are given to other major legal works, including Halsburys Laws, Halsburys Statutes and Statutory Instruments and The Digest, which means that no important reference is excluded. This particular product (AERC36) consists of the entire All England Law Reports since its first publication in 1936 in bound volume format, over 200 volumes. However there are various subscription options that can be added to this product that consist of: * The Noter-up service, issued ten times per year, keeps the volumes up to date by providing labels that can be added to a case to indicate whether it still holds as current law. * The All England Law Reports also publishes specialist series on Commercial Cases and European Cases, available as separate subscription products (see separate entries for these series). * A Current Tables and Index is issued four times a year, covering all cases reported during the calendar year, up to the date of issue. These are combined into a cumulative index at the end of the year. A consolidated Tables and Index is published every year. * Four bound volumes published each year - each consisting of 12 weekly parts Three subscription options are available to the All England Law Reports 1936 to date: Service A - Weekly parts, bound volumes and the All England Annual Review Service B - Bound volumes only Service C - Weekly parts only The All England Law Reports is also available on-line as part of All
