Warning: This is an adult story that contains explicit scenes of two people engaging in sexual acts that may be considered offensive such as dominance, submission, blow jobs, muff dives, hole penetration, sex toys, lingerie and nipple fetish. Reader discretion is advised. A Short BDSM Story Sandra is a woman tired of her player boyfriend, Chase. Mike is a Chases best friend. Together, Sandra and Mike have something against Chase. So they come to an agreement... A Fuck Agreement... Excerpt: Jennifer wiggled and moaned beneath him, leaving her eyes shut, savoring the sensation, while she spread her legs a bit farther apart. Ahhh, that is what she wanted, was it? He smiled and, with his mouth still firmly fastened on one of her tits, let his hand drop to between her legs. Her skin was soft, perfectly smooth with not even the faintest trace of stubble and when he touched her, she gasped and then spread her legs even wider. He let one finger slip between the lips of her pussy, spreading them ever so gently. As it glided over her pink skin there was no friction she was so wet that when he pulled his hand away, it was quite literally, dripping with her juice. Mmm, he purred against her tit, letting the sound of his voice vibrate through her body. He lifted his lips from her breast long enough to stick his finger in and suck on it noisily. Then he turned his mouths attention to her other nipple, and returned his hand to the juncture between her legs. Slowly he slid two fingers up and down the length of her dripping trench, never slipping into her hole, but taking plenty of time to stop and rub against her swollen and no doubt, throbbing clit. His tongue lashed at her nipple, his teeth nibbled at it, and his fingers between her legs made her whimper and grow even wetter. Please, she gasped, and he tore his mouth from her breast and pressed her down onto her back on the floor, slipping his face between her thighs

and letting his tongue slither up the length of her pussy. She tasted sweet, fresh and unspoiled, and he licked at her dripping cunt. She tangled her hands in his hair, pulling his face down harder against her and grinding her clit against his nose He reached up and grabbed one of her tits in his hand, never moving his face from between her legs, and pinched her nipple, moaning into her pussy while he did it. That elicited a deep groan from her, and she became even more frantic, if that were possible. Please, she gasped again. Please, fuck me. Horny? ADD TO CART!
