

## Angel: Only Human (Angel (IDW Paperback))

Now that the Fall is over, Illyria and Gunn are trying to get back on the straight and narrow. But having tasted their truly darker sides, is there any way to really come back from trying to end existence? Maybe a road trip will help. But visiting Freds folks brings up more than just memories as The Scourge makes an appearance, along with an old enemy of Illyrias whos looking for a little payback. And it all hinges on whether Gunn and Illyria can settle their differences and learn to fight together.
