

The Venus School

Want to expand your horizons? Learn about pleasing yourself and your partners? Explore some kink? The Venus School is the place for you. When Jessica signs up, eager to learn more about herself and her unexplored fantasies of being tied up and submitting to a dominant man, she has no idea that two of her co-workers are also going to be there as instructors. Justin and Chris have been wanting to get close to Jessica for a long time and they see this as their big chance for one of them to win her. As Jessica delves deeper into sexual exploration she finds herself falling for her two hunky instructors and is even convinced to take their Menage Trois Class. Can she handle the two men or will she have to choose between them? This book contains masturbation, light BDSM, anal play, toys, MF sex, MFM sex, one scene of FF sex, and a whole lot of hot!
