

House Husband 4: Sissys Double Trouble

Kissy Gets Some Unexpected Visitors. In Uniform. House husband Kenny, aka Kissy the Sissy, looks forward to a quiet evening at home, running a bubble bath and painting his dominant wife Amys toes. But when Amy blows the evening off for a date with a coworker, Kissy finds herself all alone. Until her neighbor, church-going Mrs. Cray decides to make trouble for her again, with a knock on the door. And she has not come alone. Instead, she's brought along a pair of policemen. Policemen who want to get to the bottom literally, the bottom of what this naughty neighborhood sissy that got everyone talking thinks she's all about.
