

Best of the Eighties / Book #2 (Archie Americana Series)

Get ready for a totally tubular time! The 80s were filled with bright neon colors and new innovations in trends and technology. Flash back to a time when wrestlers became rock stars, fast cars talked (with British accents), giant monkeys fought plumbers and 8-bit graphics were cutting edge! Join Archie, Betty, Veronica, Jughead and the rest of the Riverdale High gang for a return to the rad 1980s! This second volume contains the most radical Archie stories of the decade!
