

Art from the Parks

Modeled on the popular North Lights Splash series, this breathtaking guide features award-winning work from the Arts for the Parks Annual Exhibition, 1989 through 1998. More than 120 landscape compositions by 73 outstanding artists present a diversity of spectacular subjects, from the snow-cruled peaks of the Rockies to the vast expanses of the Grand Canyon. Each painting is showcased in big, beautiful page layouts, complete with commentary from the artists on their techniques, mediums and inspirations. More than a coffee-table book, this guide is sure to spark the wonder and creativity of anyone who paints, collects or respects nature.
