

Articulate Storyline 2: The Essentials

A self-paced workbook that teaches the core Articulate Storyline skills! This hands-on, step-by-step workbook will teach you the essential Storyline skills necessary for you to create effective, interactive eLearning courses on your own. This book, which most people can finish in a few short days, contains tons of activities and supporting screen shots. There are also challenge exercises (Confidence Checks) that will put your new-found skills to the test. You'll learn how to create projects from scratch, how to work with slides, add shapes, and how to add and format text, images, and characters. There are lessons that will teach you how to add interactivity to slides via buttons, triggers, text entry areas, and hotspots. Learn about variables and how they allow you to create personalized eLearning. Enhance the learner experience by recording, importing, and editing audio. Gauge the effectiveness of your eLearning by adding quizzes. Then you'll publish Storyline projects for the widest possible audience. This book features:~ All of the Articulate Storyline projects, images, audio files, and other assets to get started (Just download the Storyline free 30-day trial software from the Articulate website and jump in!)~ Dozens of step-by-step, hands-on activities~ Confidence Checks to challenge your new skills~ Hundreds of supporting screen shots
