With no one else to go to, it is up to Rex to save their lives and to prove his love for Baby Boy. If he can, then the two can finally share each other's sexual bliss and perhaps if they're lucky, live happily ever after in Rex's secret Mexican paradise. This story contains interracial and orgy sex. 19,000 words. Baby Boy is a hot erotic romance series.

Series Description: Baby Boy, a Nebraska farmhand, moves to Hollywood in search of a place where he can belong. Scared by the big city he falls in love with Rex, his ruggedly gorgeous, and savvy next door neighbor who works as a male escort to escape his twisted past. Baby Boy, with his corn-fed 10-inch tool, follows Rex into his dark underworld of sex; and even if they can both survive the ravenous desires of the men around them, neither one will ever be the same again. *Please note that this story contains very explicit descriptions of erotic and sexual situations written in part for extreme genital arousal which will lead to self-pleasure. Mature readers only.

Excerpt: With his brown master having his way with him, all Baby Boy could do to bear it was to stare at the redheads very pink lips circling the bartender's extra thick c***. It was like a snake swallowing its prey. The redhead flailed and stretched his arms trying to deal with the sensations, and the sight drove Baby wild. Ahhh! Baby growled feeling his aggressive side returning. Watching the redhead suffer while feeling the Latin ride him seemed to flip a switch in Baby. Baby, feeling the effects of his day of public nudity, and the musk-filled room, rubbed his cheek on the silky pillow. It felt like every nerve in his body was standing on end. Baby could feel

the presence of everything around him. It set his loins on fire. And not only did he want more, he now felt that he was willing to do anything to get it.
