

Birthday Present (Backdoor Erotica Vol. 1)

From Author Ana Grey - The first story in the Backdoor Erotica Series *** This is a very short sexy read to get you in the mood for stimulating dreams or a little fun before you fall asleep. You can purchase the stories individually or wait and buy them in bundles of four. The choice is yours and thank you for reading! *** As you would imagine this title contains a lot of steamy sexual content and graphic language that may be objectionable to some readers and is intended for adults only. Ok, youve been warned so lets bring on the heat!!! Birthday Present (Backdoor Erotica Vol. 1) is the first story of the Backdoor Erotica series. This sexy short story is approximately 2200 words in length. Its Ryan birthday again and as usual he is impossible to shop for. After a particularly frisky night at my place I think I have come up with the perfect gift idea. Its what every man wants and with enough practice and a little bit of courage maybe I can give him the gift he has always fantasized about. Who knows, maybe I will like it!
