

Bearing the Frostbite (Ice Bear Shifters Book 6)

A forbidden love might be this restless hearts only chance at happiness. Polar bear shifter James Tanner feels a restless urge to wander. Since losing most of his clan to a rival clans attack, hes dreamed of escaping to somewhere far away where no one knows his name. But his plans change when he starts to fall for the girl next door. Her love would be enough to make him stay, but she doesnt seem interested in him at all Alexis Fletcher puts on a happy face, but shes heartbroken on the inside. Shes on the verge of losing her grandmother, the only family she has left. The last thing she wants to do is upset her dying Grams, and she knows that getting involved with a shifter would do just that. But no matter how hard she tries, she cant keep her eyes off her gorgeous new coworker. If only he wasnt a shifter... Read this heartwarming shifter romance today and discover whether Alexis and James can find a way to follow their hearts without dishonoring a dying grandmothers last wishes. Bearing the Frostbite is part of Sloane Meyers Ice Bear Shifters Series. While this 24K word novella can easily be read as a standalone story, youll likely enjoy reading all of the Ice Bear books! Please note, this book is intended for mature audiences and contains explicit love scenes as well as adult language.
