

## Bears Match: Paranormal Bear Shifter Romance (Bear Heat Book 6)

Luke Keller survived a horrible, harrowing ordeal that changed his life forever. He used to be human, but now there is something dangerous and deadly lurking inside of him. Just when he thinks he has his beast under control, someone from his past crashes back into his life and sets his world ablaze. Nicole Forrest is determined, feisty and she has worked damn hard to get where she is. She has her life, her career, her future all mapped out but when she receives a call for help from one of her clients, everything goes to hell in a branded handbag. Thrust into a situation that is fast unraveling into something sinister and horrific, Luke and Nicole will have to overcome their fears and trust each other with their secrets and their hearts. Sometimes, keeping a promise can cost you your life. Will Luke and Nicole be strong enough to fight for what they believe in and for a future together?
