

The Unleashed Series

The complete Unleashed Series of four books including Alicia, Becky, Claire and Debbie published in one paperback volume. Warning! This is a Vivien Sparx paperback like you have never read before! It contains explicit sex scenes and graphic language. It is for adult only readers who like their action sweaty, steamy and super hot! These four stories cover the exploits of the main character, Julia, and her amazing sexy encounters with young women who come to her seeking a place to live. Julia creates five erotic challenges for each of the girls... And none of the tasks in any of these stories are ever quite the same. Collectively this paperback is the ultimate kink fest for women who love their erotica raw and graphic and inventive.
