

Becoming His Babygirl

With deftly rendered characters, imaginative scenarios, steamy sex and an inspired storyline, Chloe Carpenter delivers her most captivating book yet. Selina is a 24-year-old woman with secret desires - to relinquish control and submit to a real man who can make her feel complete. She mistakenly thinks she has found her real man in the enigmatic Mr Flynn, but when she meets Tarak, everything changes. Her powerful, golden-eyed loving Daddy-figure is eager to share with her every conceivable erotic pleasure imaginable, and as he begins to acclimatize her to her new life as his little one, she learns to submit to his authority and discipline as he introduces her to spankings and sex, to fun games and diapers, and the freedom of submission as he takes her on a journey of self-discovery that is literally out of this world. Selina finds herself in a place where the very nature of time has been redefined ... a place populated by play rooms, strict nannies and stern caretakers - a place where intimate examinations and temperature takings are commonplace. But who exactly is Tarak? And what will happen if Selina wants to return home? Lashings of kink make this a fun and highly erotic age play romance with a creative sci-fi twist. Publishers Note: Becoming His BabyGirl is an ageplay book. It includes anal play, explicit sexual scenes, and elements of medical play.
