

Bedtime Stories (Box Set)

This story is about how Sam saved Trolls Blog by coming up with one of the coolest ideas ever. Bedtime Stories Publishing... Bedtime Stories webmaster Carter Roth has two great passions: his work, and his lover, Brody Mann. So when he learns someone's hacked into his precious website, Carter is determined to track down the culprit and make him pay! Editor Claire Casson is on the run. The last thing she wants or needs in her life is the complication of an alpha dragon capable of setting her blood on fire. Jean-Paul, incubus editor, has been assigned a new author. Dominick may be a fantastic author, but when he gets aroused, he turns into a real ogre... When review coordinator Pixie calls reviewer B.J. Smith into the office to discuss a bad review, she finds out she is two males. Very drool-worthy males. Callie, the Bedtime Stories mascot, is about to get all the loving she can handle... if she can just shut up. Brad, the warehouse manager, revisits the past with a steamy confrontation with the man who broke his heart twenty years earlier. Bedtime Stories in no way represents any actual publishing company. Any resemblance to the staff and authors of Changeling Press is purely coincidental. That's our story and we're sticking to it. This collection contains the previously released Bedtime Stories titles: Trolls Blog by Shelby Morgen Beyond Boundaries by Hunter Raines Kiss of Fire by B.J. McCall Ugly Duckling by Lena Austin Pixies Playmate by Anne Kane Shut Up! by Marteeka Karland Raising Caine by Renee George Praise for Trolls Blog: Bedtime Stories Let me say that I love the Bedtime Stories series. The stories are short, hot and fun to read. This one is no exception. 4.5 Cherries! -- Holly, Whipped Cream Reviews Trolls Blog is one hot, wicked ride that will leave you clamoring for more. I highly enjoyed this series of hot stories and hope Troll comes back with a few more in the future. -- Dawn, Love

Romances and More Praise for Beyond Boundaries A deliciously hot story with a couple of enjoyable surprises along the way. -- Lisa, Joyfully Reviewed This story definitely is strictly about the sexual tension so if you like your erotica with a little romance like me, Hunter Raines has one for you. 5 Cherries! -- Peppermint, Whipped Cream Reviews Praise for Ugly Duckling This story isnt a run-of-the-mill paranormal/fantasy story. Ugly Duckling is more than I ever imagined and worth the read. -- Tiger Lily, Whipped Cream Reviews Ugly Duckling is a heartwarming short story. Dominick is an author, who shifts into something else when he has been sexually awoken. The characters are intelligent and believable, as well as sensual. The amazing Lena Austin never fails to deliver an engaging saga with some of todays social allegations incorporated. 4.5 Nymphs! --Chocolate Minx, Literary Nymphs Praise for Pixies Playmates If you want a story thats sexy and not at all what youll expect, then you need to read Bedtime Stories: Pixies Playmates. -- Tiger Lily, Whipped Cream Reviews Bill and Jake are handsome, and kinky, hunks who complement Pixies personality nicely. Anyone looking for a hot and sexy read will surely want to give Pixies playmates a try. 4 Hearts! -- Susan W., The Romance Studio Praise for Shut Up! A great twist in a story meant to expand your imagination and take you to another world. When one cat-woman meets a hunky science experiment gone wrong, the sparks fly and love ignites. 4 Nymphs! -- Ambrosia, Whipped Cream Reviews Callie and Eli burn up the pages when they get together in the latest addition to the Bedtime Series Shut Up!. This story has a perfect balance of humor and heat that will leave readers wanting more. 4 Nymphs! -- Amethyst Nymph, Literary Nymphs Praise for Raising Caine Those whove enjoyed the series, M/M fiction, or Rene@acute; Georges wonderful stories will enjoy reading Raising Caine. Four Nymphs
