

Newbie Guide to Serious Metal Detecting

Thanks to popular television shows such as Diggers, Gold Fever and Savage Family Diggers, Metal Detecting has become one of the fastest growing hobbies in the world. The Newbie Guide to Serious Metal Detecting is designed to introduce the novice to this exciting and addicting hobby. It explains everything you need to know to start treasure hunting both ethically and responsibly. You will learn how to choose the right metal detector for your needs, how to research and gain permission for hunting locations and how to properly retrieve targets without damaging the environment.
