

Behind Locked Doors Book 3

When Thursday comes up with a plan to beat the new girl at her own game, she doesn't realize nothing will ever be the same. Oh, it works at first. She spends an amazing weekend with Scary, but what starts as a fun way to get her privileges back ends all too soon. When the other Masters point out that he's keeping her to himself, that he needs to start following his own rules, Scary does something not a single one of them would have ever expected. It spins everything out of control, and Thursday is left clinging for her sanity...and his love. **Behind Locked Doors 3 is Seriously Unforgettable - It was named by Seriously Reviewed as one of the ten best stories of 2011**
