

Bent Over and Taken by the Werewolf (Werewolf Erotica)

Raw, primal, and aggressive Clara thought the legends of Werewolves were nothing but jokes. But after being bent over and taken as Pauls mate, shes forced to question everything she knows about herself. ***For a MORE steamy sample download a sample or click look inside.*** Excerpt: He said nothing, only stared at me with his piercing gaze. I stared back, unable to break eye contact. A jolt shook my body as my heart lurched in my chest; his musky scent passing through my nose. My fingers clenched and scraped along his skin as a weightless buoyancy enveloped me. I felt completely drunk, intoxicated and hypnotized by his presence. **WARNING: This short story is intended for ADULT readers only. It contains explicit language and graphic sexual content.
