

Free Books for Your Kindle: 12 Sites to Download Free Books for Your Kindle and Kindle Fire

I love the Kindle yet buying enough books to keep me satisfied can get expensive. My local library helps (check with your local library system as to whether you can borrow books for free from them), but buying enough to keep me satisfied gets expensive. That's why I started to look for sites where books for Kindle (and Kindle Fire and Kindle software) are available for free. Yes, you can always do a search on Amazon for free Kindle books (yes, go to the Kindle store and type free Kindle books in the search box for results), but there are other sites as well that make available free books for the Kindle. None of the sites mentioned in this brief report are ones where you can download bootlegged books for Kindle. These are all legal websites for you to download from. None of these sites charge a membership fee in order for you to get free downloads. Some do sell some books in addition to providing free books for your Kindle.
