

Cartoon Workshop: Creating Humour

Cartoon Workshop is a practical and informative journey through the process of creating cartoons. Joel Mishon, with contributions from numerous professional cartoonists, provides practical help and instructive projects to show how a humorous idea is transformed into a successful cartoon. Packed full of cartoons by many of the worlds best cartoonists and with comments by the artists themselves, everyone from the layman to the enthusiast can gain an insight into how successful cartoons are created. The book contains several hands-on projects, handy tips, what-went-wrong features and many real-life cartoon case studies
