

The Fortunate Few - Heroes of Renown (Part II) (Judeo-Christian Comics and Coloring Books)

Robert L. Overton Jr. is blending his artistic talent with a devotion to Christianity to create comics and coloring books with a spiritual message. His stories are uniquely delivered in present-day settings and language while sharing scripture. At the same time, he is embracing modern technology by creating the comics for digital devices which are in color and act as a model for the black and white coloring books available in paperback. Essentially, the reader can develop their artistic side while simultaneously using multiple modalities and identifying with traditional values.
