

Formatting Briefs in Word

Formatting Briefs in Word explains how to create all the elements of a legal brief in Microsoft Word. Written by a lawyer for lawyers, paralegals and law students, readers will find this book invaluable for creating the best formatted briefs possible. While good formatting will not save a terrible brief, it will enhance a good one; and a good brief can be destroyed by poor formatting. Every page of this book is devoted towards solving the problems of formatting briefs. Topics include how to set up Word for legal writing; font selection; page layout; formatting using styles; creating tables of contents and authorities; and creating cover pages. Conformance with court rules is stressed throughout. This is an intermediate to advanced book on Word. The reader is expected to know already Word basics. This book takes the reader to a higher skill level.
