

Beyond Prudence

The mysterious device in Prudence Hastings basement could be the answer to her prayers, if she could just figure out what it is. Needing William Foremans help, shes prepared to do whatever it takes to gain it. Even putting aside her dislike of machines and volunteering to test the risque apparatus hes developing for the Acolytes of Concupiscence. Wills expecting a lightskirt for a test subject and is horrified when he realizes the tempting woman he just debauched is very much a lady. But despite his best intentions, something keeps drawing him back to her, and it isnt just the thought of discovering the inner workings of her uncles last invention. Unlocking their passion is turning out to be a far more pleasurable, if dangerous, job. Beset by desire, automatons, secrets, an unintelligible maid and the danger of utter ruin should their association become known, Will and Prudence havent a chance in hell of remaining unscathed. Fire up the boiler, open the sluices and take cover. Somethings about to explode A Romantica erotic romance from Elloras Cave
