

## Year of the Billionaire: Romantic Suspense Boxed Set

Now in one volume! The sizzling best-selling new adult romance trilogy--Year of the Billionaire. Follow Raina and Tristan through three fast paced, suspense filled novellas--Knowing His Secret (Part 1), Taking His Risk (Part 2), and Keeping His Promise (Part 3). Knowing His Secret--the scorching beginning to Raina and Tristans affair. He looked like the kind of man even my mother would call smokin hot. Eventually, she did. He felt like the kind of man who didnt just break the rules, but made new ones. He led and it was follow or get out of the way. Why did a billionaire with a voice like liquid silk and a face like a bad angel take a second look at a girl in no-name jeans, with a fifteen-dollar haircut and a beat up car she calls her Eep because the J fell off long ago? I didnt want to know why and when I thought I knew I didnt want to admit it. By the time I found his secret, it was already too late. His passion had me hooked like a drug. It didnt hurt that he pulled the people I love the most out of harms way. A girl can get used to a knight in shining armor even when the armor has some very large dents in it. Taking His Risk--the second installment, full of suspense and surprises. I was hurtling across the ocean, a mile high, destination unknown. Id brought a passport and nothing else. He seemed determined to make everything in my life brand new. He revealed me, peeling back layer after layer until all that was left was my raw intimate core. Yet, I hardly knew him. Crazy is a pretty good word for the kind of uncertainty that comes with a man like Tristan King. I never knew what the day would bring, but I began to expect surprises. That was the biggest problem. Managing my expectations with a man whod told me I couldnt have any. For a regular girl, falling for a man like him was taking a very big chance. Was it really possible to love one day at a time?

Keeping His Promise--the soulful and satisfying conclusion to a journey of discovery, danger and delight. Just carrying a million dollars around is exhausting. Paying my mothers ransom was a relief but I had too much time to think about Tristan on that ferry ride. He was more than I had dared hope for and less than I deserved. I underestimated his power and didnt give him nearly enough credit for determination. He had me on his jet again, flying high and wanting him. Consequences be damned. Who could be prepared for what he had to say? I wasnt going to hold him to the promise he intended to keep. When he opened the heavy door to his heart we both knew it would change what we had. Trouble is, I still didnt have a word for what it is we had. Our bodies tended to do all the talking. Sometimes, it seemed to me there wasnt much left to say. Meant for mature readers, this book is five flames in heat and raw language.
