

Blackstones Police Q&A: Crime 2011

Designed to mirror the best-selling Blackstones Police Manuals, this series is written by experienced question writers. Each Q&A book contains hundreds of multiple-choice questions designed to reinforce knowledge and understanding of all four Police Manuals, and to highlight any gaps or weaknesses in that knowledge. Following subjects in the same sequence as the Manuals and drawing upon the relevant text, the Blackstones Police Q&As 2011 are essential revision tools for all police officers sitting the Sergeants Part 1 promotion examinations. The 2011 editions of this popular series contain important updates, reflecting changes to the 2011 versions of the Blackstones Police Manuals. Each book is fully cross-referenced to the relevant Manual and contains a question checklist to mark the answers. This new edition on Crime has been revised and updated to include new questions on the Policing and Crime Act 2009 and updates from Safeguarding Vulnerable Child and Adult Witnesses. The 2011 edition also includes a new section on Firearms and Gun Crime. Other titles in the series are: Evidence and Procedure Q&A 2011, Road Policing Q&A 2011, and General Police Duties Q&A 2011.
