

Amethyst Flame (The Flame Series Book 2)

Are you ready to meet your next book boyfriend? Hunky Nathan Vaughn, six-six, and one muscled vampire warrior, is waiting for you in AMETHYST FLAME. Hes had a lot of trouble in his life and needs a good woman to help even things out. Can you see yourself as Emma, the beautiful witch who believes all vampires are bad, but who cant seem to resist the call of so much exquisite masculinity? Meet Vaughn right now, in Amethyst Flame, Book 2 of the Flame Series, a standalone story! Vaughn and Emma have met once in the past, the night they rescued three teenage girls from a kidnapping ring. But a vampire and a witch cant have a relationship in Five Bridges. So, they parted, determined never to see each other again. Emma was desolate, then the phone rang. Vaughn called and kept calling and she kept answering. But the rescue they shared turned out to piss off one very bad wizard who decided they both needed to die. Now theyre in it, fighting to stay alive and working oh-so-hard NOT to fall in love. Will they survive when so much is against this ill-fated couple? Everything you need is in their story. From how they meet for the second time and survive a brutal attack to landing in each others arms when they should be doing anything else but to discovering love in the middle of a nightmare to finally battling the evil in their world and reaching a happily-ever-after! Of course, theres so much more to AMETHYST FLAME. Youll enjoy the world of Five Bridges where several alter species live in a cordoned off province in the middle of Phoenix, Arizona. Youll discover how the different flame drugs have taken over the city and threaten to eradicate human life as nothing has before. And youll feel the searing heat when Vaughn and Emma ride the flames of passion. But the best part? Youll get hours of escape from the sometimes difficult and often irritating

chores of life. Oh, yes, and you'll come away refreshed with a new book boyfriend.

So scroll back to the top and grab a copy today because Vaughn is waiting for you! Better hurry, though, or someone else may take him home first!
