

Farming Handbook for Minecraft: Master Farming in Minecraft: Create XP Farms, Plant Farms, Resource Farms, Ranches and More! (Unofficial Minecraft Guide) (MineGuides)

Limited Time Discount! (Regular \$4.99)
Thanks to the depth of the game and the amazing possibilities that exist within its framework, a lot of resource farming can be automated and optimized for large scale farming. This not only generates more resources but it also reduces the amount of work you have to put in, leaving you free to engage in more fun in game tasks like exploring or building. This guide will help you build some of these farms while there are literally hundreds of different designs out there, we have picked the best designs that are not overly complicated to construct and generate more than enough yield to be worth the effort. Step by step instructions with screen shots have been given to help you build each of the farms. This guide will teach you about: - Basics - learn about redstone, pistons, tools and more. - XP Farms - Plant Farms - Resource Farms - Ranches - ...and much, much more!
