

Santa in Spurs (Spurs & Mistletoe Book 1)

Bullfighter extraordinaire, Lauren OShea was glad to be home. Leaving the rodeo circuit had been a hard decision to make but once done, getting home, to OShea Haven, was top priority. The only problem was, things didnt seem to be going quite as she had planned. Used to love em and leave em cowboys and their larger than life egos, Lauren isnt quite sure what to think when the sensually erotic businessman her father has partnered her with claims her for his very own. Polished and shined, Nathan Mills doesnt quite fit in with the rodeo crowd. His expensive suits and leather loafers set him a world apart. When the city boy taunts get to be a little too much, Nathan and his new lover work out a deal. Lauren will help Nathan with his cowboy wardrobe and in return, he will play Santa for the Rancho Viejo Rodeo Days toy drive. Little does Nathan know but spending long days and steamy nights with Lauren OShea will change his life forever.
